

EEI COVID-19 Relief Program - First Phase Application Welcome

Dear entrepreneur,

We are super excited that you decided to apply for the Empowering Entrepreneurship Initiative and are looking forward to receiving your application!

The COVID-19 Relief Programme, part of the Empowering Entrepreneurship Initiative by enpact, provides 180 businesses in Egypt, Ghana, Jordan, Kenya, and Indonesia across all sectors with financial support, business development resources, and dedicated mentoring - so you can focus your time and energy on getting back on track.

The application will take around 25-30 minutes and you cannot save the file before submitting it. We, therefore, recommend that **BEFORE** you apply, you download the preview of the application as well as the application guidelines in the respective section on our website. You will need to have your financial statements for 2019 at hand. At the end of the questionnaire, we kindly ask you to upload your company registration document as a PDF file.

Applications that do not follow the guidelines are subject to automatic disqualification.

We wish you all the best!

Greetings from Berlin,

Your enpactors

About your data

All your information is for internal use only. We will treat them confidentially.

EEI COVID-19 Relief Program - First Phase Application

Getting to know your startup ecosystem

Thank you for filling in your application data!

The next section is to help us better understand the startup ecosystem in the city where your organization is based in order to facilitate policy recommendations and create needs-based support for entrepreneurs in your city.

Startup Friendliness Index by enpact e.V measures city startup ecosystems in order to support entrepreneurship globally and with a focus on emerging markets.

ALL ANSWERS IN THE NEXT SECTION ARE ANONYMIZED. They are consolidated within our Startup Ecosystem Reports to provide a better understanding of startup ecosystems around the world.

The answers to the following section will not affect your application or eligibility for consideration.

* 102. How is founding a startup rated as a career choice in your society?

Scale (0-not respected at all; 100-highly respected)

* 103. What is the average salary for a recent university graduate in your city? *(please indicate in your local currency, please provide the monthly average)*

* 104. What is the average salary for a mid-level software developer in your city? *(please indicate in your local currency, please provide the monthly average)*

* 105. Please estimate how many startup events take place in your city per week? (e.g. meetups, conferences etc)

* 106. On a scale of 1 to 10, how possible is it to get mentor support from an entrepreneur in your city?

(e.g. 0: Very difficult to 10: Very easy)

* 107. What is the percentage of leadership positions occupied by women in your city?

(e.g. CEO, Senior Executives & Management, etc.)

* 108. Is it possible to adapt your business model during the COVID-19 crisis?

Yes

No

* 109. How much of your business operations are you maintaining during the COVID-19 crisis?

Stopped operations (0%)

Operating at decreased capacity (<80%)

Operating at the same capacity (80-100%)

Operating at a higher capacity (>100%)
